

United states agency for international

Overview

Agency for International Development (USAID) served as the lead international humanitarian and development arm of the U. It was established in 1961, pursuant to Executive Order (E.) 10973, to implement components of the Foreign Assistance Act of 1961 (FAA). EST on Sunday, February 23, 2025, all USAID direct hire personnel, with the exception of designated personnel responsible for mission-critical functions, core leadership and/or specially designated programs, will be placed on administrative leave globally. Founded in 1961, it was formerly the world's largest foreign aid agency, but it received major cutbacks in 2025 with its remaining functions being. The U. We also operate several other types of offices, most of which are located throughout the United States, including passport agencies, foreign press centers, logistic. USAID partners to end extreme poverty and to promote resilient, democratic societies while advancing our security and prosperity. Poverty is multi-dimensional, requiring an approach to address hunger and food insecurity, illiteracy and innumeracy, ill-health, dis-empowerment, marginalization, and. U.
